Tanishka Jaiswal

Software Developer

I motivated and **results-oriented** MCA student with a solid web development and Java programming foundation. **Proficient** in front-end (**HTML**, **CSS**, **JavaScript**) and back-end (**Spring Boot**, **Java**, **SQL**) development. I completed a **BCA** from Government Holkar Science College and am currently pursuing an MCA at Medi-Caps University. I recently completed a virtual **Java development internship** at Topper World, gaining **hands-on experience** in **software development** and **problem-solving**. A **quick learner** with a **positive mindset**, **agile** team skills, and collaborative teams. Strong **communication** skills and the ability to prioritize tasks effectively, meet deadlines, and deliver results. Dedicated to expanding **knowledge** in **full-stack development**, **cloud computing**, and **database management**.
